LAWS OF 1947, CHAPTER 253, SECTION 5

"The license of every person, licensed under the provisions of this act shall be annually renewed, except as hereinafter provided. On or before December 1st of year, the Board shall mail an application for renewal of license to every person whose license was renewed or to whom a license was issued during the current year. The applicant shall fill in the application blank and return it to the Board with a renewal fee of Two Dollars ($2.00) before January 1st, next. Upon receipt of the application and fee, the Board shall verify the accuracy of the application and issue to the applicant a certificate of renewal for the current year beginning January 1st and expiring December 31st, following. Such certificate of renewal shall render the holder thereof a legal practitioner for the period stated on the certificate of renewal, and shall be attached by the licensee to his or her license.

Any licensee who allows his or her license to lapse by failing to renew the license as and within the time provided above, may be reinstated by the Board on satisfactory explanation for such failure to renew his or her license and on payment of a further fee of Two Dollars ($2.00) in addition to the $2.00 annual renewal of license.

A person practicing professional nursing during the time his or her license has lapsed shall be considered an illegal practitioner and shall be subject to the penalties provided for violation of this act.

A person licensed under the provisions of this act desiring to retire from practice temporarily, shall send a written notice to the Board. Upon receipt of such notice the Board shall place the name of such person upon the non-practicing or inactive list. While remaining on such list the person shall not be subject to the payment of any renewal fees and shall not practice nursing in the state. When the person desires to resume practice, application for renewal of license and payment of renewal fee for the current year shall be made to the Board."
